

The Human Energy System and The Skillsets Of Evolution

Following is a summary of what generally occurs at each layer of your energy body regarding your greater abilities. As you keep expanding and raising your vibration, more abilities come online.

Causal Body

At this vibrational layer, you are a self-realized as one with your eternal self. You considered an Avatar. You emit light.

Celestial Body

You are pure love. Omnipresence and all of the expanded senses are highly active. You have instantaneous healing ability.

Ethereal Body Template

You are highly magnetic and can manifest through thought. Spiritual telepathy, omnipresence and magnetism develop at this layer. You are multidimensional and with unified awareness.

Astral Body Bridge

Expanded sense perception and higher sensitivity is developing. Emotional telepathy is common.

Mental Body

When the mind is stabilized, spiritual intuition and unified awareness are developing. The channels to the higher mind are opening.

Emotional Body

When the emotions are stabilized, deeper levels of love and compassion develop.

Etheric Body

Your vibration elevates through a healthy etheric body.

Physical Body

Any true healing of our physical pains stems from initial etheric body healing.
